The Bill Tutte Alborada Trust Scholarship

Form B: Reference

You have been asked to write a reference for a candidate for the Bill Tutte Alborada Trust Scholarship to support an outstanding Mathematics/Computer Science student at University. A successful candidate will receive up to £1,000/year to support his/her university studies for up to 3 years.

Applicants must:

- demonstrate outstanding potential and be working towards/have achieved a grade A at 'A' Level Mathematics. In exceptional circumstances a candidate who has achieved a grade A at 'A'-Level in another subject will be considered.
- live within an 8km/5 mile radius of the Bill Tutte Memorial on Rutland Hill in Newmarket. In exception circumstances candidates who live outside this area but have some connection with Newmarket will be considered.
- have been offered a place to attend a British university to study Mathematics or Computer Science.
- agree to take part in any associated publicity for the Scholarship and the Bill Tutte Memorial Fund.

The Trustees will give preference to candidates who can demonstrate commitment to their studies, either by overcoming difficulties in order to succeed, or by developing their interest in the subject independently. We will give particular credit to any candidate who has attended or assisted with the Bill Tutte Club at Newmarket College, but this is not a condition of application. Candidates will be expected to attend university in the academic year following their last year at secondary school; any candidate seeking deferred entry will need to convince the Trustees that his/her academic progress will not be adversely affected.

candidate seeking deferred entry will need to convince the Trustees that his/her academic progress will not be adversely affected.
Name of Candidate:
Referee's details:
Name:
Address:
Telephone No:
Position:
1. In what capacity do you know the candidate?
2. For how long have you known the candidate?

3. Please explain why you think this candidate has the potential to be an outstanding mathematician:		
4. Please state how this candidate has demonstrated commitment to his,	/her studies:
